# Print Anthology Permission Form

By signing this form, I state that this entry is entirely my own work. I understand that I retain all copyrights for this entry. If this form is not signed, my work will not appear in the anthology.

## Children's Writing Contest Anthology Publication Permission

In order to be a part of the anthology you will need to submit a digital copy of your story. The library will not be able to transcribe entries that are provided as printouts only. This permission form must be signed and submitted by April 1, 2023. By signing, I acknowledge that the work submitted to The Plymouth District Library's Children's Creative Writing Contest Anthology is my original creation, is unpublished, and that all rights to the story are owned by me. I agree that I cannot sell the Anthology collection for profit and will retain rights to my own story only. I cannot reproduce, alter, or claim credit for any other author's work. I understand that my story will be published in the Anthology, which will be added to the Plymouth District Library as part of the circulating collection. The library will not sell the anthology for profit or otherwise. I understand that minor edits (spelling & formatting) may be made prior to publication. Authors will receive one copy of the anthology, at no charge, courtesy of the Friends of the Library. No additional copies will be available either for free or to purchase.

I, \_\_\_\_\_ give my permission to publish my submission in an anthology compiled by the Plymouth District Library.
